(I accept the Terms of Agreement for San Bernardino Municipal Water Department's Rebate Program. Original signatures are required.)

TURF REPLACEMENT MATERIALS & ARTIFICIAL TURF

Receive 50% rebate (up to \$300) for the use of hardscapes in place of turf. (mulch, decomposed granite, decorative rock, pavers, etc.) Materials used must be water permeable (cement does not qualify).

Receive \$2 per square foot (up to \$400) for the use of artificial turf in place of living turf. *Receipts must show cost per square foot separate from any labor/installation charges.

Must provide before & after pictures to verify turf replacement

Turf Replacement Materials:

IRRIGATION CONTROLLERS

Receive up to \$250 rebate for purchase/installation of a weather sensing irrigation controller or up to \$100 for a standard controller.

Controller Brand & Model:

POOL COVERS

Receive up to \$75 for the purchase/installation of a solar pool cover. Cover or Solar Pool Rings must conform to the size and shape of the pool to act as an effective barrier from evaporation.

Must provide after picture to verify proper installation of cover.

Pool Cover Brand & Model:

DROUGHT TOLERANT PLANTS

Incorporate drought tolerant trees, plants, and shrubs into your landscaping and receive a 50% rebate (up to \$300).

inspiration and examples of approved plants can be found at:

WATERSAVINGGARDENFRIENDLY.COM

Applicant must attach list of desired plants for review.

Please check if you are applying for a drought tolerant plant rebate.

HIGH EFFICIENCY SPRINKLERS

Receive 50% rebate (up to \$200) for the use of high efficiency sprinkler nozzles.

List of approved high efficiency sprinkler nozzles available upon request.

Sprinkler Brand & Model:

DRIP IRRIGATION SYSTEM

Install a drip irrigation system and receive 50% rebate (up to \$150)

Major components of your drip system should include:

Anti-Siphon Valve, Water Filter, Pressure Regulator, Poly pipe, and Emitters rated at gallons per hour.

Please check if you are applying for a drip irrigation system rebate.

GARDEN HOSE NOZZLES

Purchase an automatic shut-off nozzle and receive a rebate of up to \$10 dollars.

(limit of 2 per residence)

Shut-off nozzle must be a "pistol" model of metal construction. Plastic or "twist" models do not qualify.

Garden Hose Brand & Model:

OFFICE USE ONLY

OUTDOOR CONSERVATION REBATE PROGRAM

HOW TO APPLY

STEP 1: Submit completed and signed application with supporting documents as applicable to:

SBMWD Rebate Program
PO Box 710
San Bernardino CA, 92402

- ◆ Some SBMWD outdoor rebate programs require supporting documents upon **initial** submission of rebate application. Please read program details carefully.
- ◆ Electronic submission of “before & after” pictures is preferred. Submit via email to: Rebates@SBMWD.org

STEP 2: After receiving SBMWD pre-approval in the form of a “Rebate Number”, purchase and install the water-saving product as listed on the application. Any changes in products or materials as originally listed on the application must be approved in order to qualify.

STEP 3: To receive your rebate submit:

- ◆ SBMWD Rebate application with rebate approval number(s)
- ◆ Original receipt for approved water-saving items
- ◆ UPC Barcodes from product packaging
- ◆ Any supporting documentation as requested to verify turf replacement and/or installation of items
- * Receipts/invoices must be received within 90 days of pre-approval date. If receipts/invoices or request for extension is not received within 90 days, amount allocated for rebate will be redirected back into available funds and an additional rebate application required.

STEP 4: Reimbursement will be issued in the form of a check, or credit to customer account.

SUPPORTING DOCUMENTS

The following programs require additional supporting documents to be included upon initial submittal of application for pre-approval and when submitting receipts/invoices for materials purchased:

Turf Replacement Materials & Artificial Turf Rebate:

- ✓ Applicant must provide before and after pictures to verify turf replacement.
- ✓ “Before” picture should be included with initial submittal of rebate application.
- ✓ “After” picture should be submitted along with invoice/receipts for products purchased.*

Pool Cover Rebate:

- ✓ Applicant must provide picture of installed pool cover when submitting receipt/invoice to verify materials conform to size and shape of pool.

Drought Tolerant Plant Rebate:

- ✓ Applicant must provide list of desired plants with initial submittal of rebate application.
- ✓ Drought tolerant landscape design inspiration & examples of approved plants can be found at: WaterSavingGardenFriendly.com

TERMS OF AGREEMENT

- ◆ Applicant must be either the customer of record or the legal owner of property within SBMWD’s water service area.
- ◆ Application must be approved **before** any purchase is made in order to qualify for rebates.
- ◆ If requested, applicant must provide reasonable access to property for verification of landscape upgrade.
- ◆ All applicant SBMWD accounts must be in good standing with only current balance due.
- ◆ Application must be completed, signed, and requested supporting documents must be included for eligibility.
- ◆ *Applicant must provide SBMWD with the original itemized and dated sales purchase receipt(s). If the price for any of the products includes installation and/or labor charges, the purchase and installation/labor must be listed separately on the original receipt.
- ◆ Failure to install the new equipment at the service address as listed on application will result in the value of the rebate being added to the applicant’s water bill.
- ◆ The applicant has full responsibility for complying with all applicable laws, municipal codes, ordinances and permits.
- ◆ Receipts/invoices must be submitted within 90 days of pre-approval date. If not received within 90 days, amount allocated for reimbursement will be redirected back into available funds and additional application will be required.
- ◆ Rebates are awarded on a first-come, first-served basis, given all program requirements are met. Rebates will be available for only as long as funds are available.
- ◆ Rebates listed are intended for SBMWD residential water customers. Commercial water customers may qualify on a case by case basis. Call (909) 384-5141 regarding rebate information for commercial or multi-family properties.
- ◆ SBMWD is not responsible for faulty equipment or installation of products, and does not represent the customer, retailer or manufacturer of reimbursed materials in any dispute.
- ◆ Program rebate(s) totaling \$600 or more per calendar year may be considered taxable income. If issued, applicant must submit a W-9 form to the Department in order to receive reimbursement. Consult a tax professional for your specific filing requirements.

For questions regarding rebates or our conservation program, please call (909)384-5141.
