- <https://www.nextgenscience.org/pe/2-ess2-3-earths-systems>

Other Ideas and Resources:

- Crayon resist watercolor card or art piece
 - Crayon Resist Technique: <https://www.youtube.com/watch?v=6A2mIFdOIGE>
 - Watercolor Tutorial: <https://youtu.be/7JKeFfZfRDg>
- Write a poem. See example below:

Walk Me Through the Watershed

From the snow covered San Bernardino mountains to the Pacific Ocean,

I have so much emotion,
For you.

You guide me
And love me too!

Like a river flow
I hope that you know

You inspire me,
You are my hero.

You mean the world to me.
Dad, there's so much for us to see.

Walk me through the watershed,
Let these memories forever fill my head.

- Have a laugh with water related jokes:
 - What kind of bear enjoys light rain?
A drizzly bear!
 - Would you like to hear a solid water joke?
Ice
 - So long boiled water!
You will be mist.
 - What runs but never walks?
Water!
 - Why do fish swim in saltwater?
Because pepper makes them sneeze.
 - Why is the ocean always on time?
Because it likes to stay current.
 - What did the ocean say to the other ocean?
Nothing, it just waved.
